STATE OF ILLINOIS

OFFICE OF THE GOVERNOR

MEMORANDUM

From HM  
to ED  
3-27-73.

Howard quite sick - said you called him at 12.30 -!  
Meeting CE in a little while. Sherman at our last meeting, when he endeavored to obtain my files told me not to trust government agencies. - I cannot get through to hot line news.

It is my experience that causes of lax security are often fatal and almost always fatal in cases of major import and impact - and there is just nothing one can do.

Let's hope it is only a publicity stunt - but I hardly think so.

Dave Wolf was & or hope IS) a good young fellow - professional fotografer - one arm - lived with Skolnick.

The wages of lax security are.....
